LETTER OF RECOMMENDATION

August 20, 2026

To Whom It May Concern,

I had the pleasure of working with Abdul Rahman and the Aurancy team on a variety of video editing projects, and I would highly recommend them to anyone looking for a creative, skilled, and reliable video editing team.

Abdul stood out not only for his editing skills but also for his creativity. He was able to follow scripts and creative direction while also bringing his own ideas and input to the projects. I particularly appreciated his ability to work with animation and create dynamic, engaging edits that added value to the original concepts.

He was also very cooperative and receptive to feedback, making the overall collaboration easy and productive. Abdul consistently delivered his work on time and was dependable throughout our work together.

I would confidently recommend Abdul to any company or team looking for a creative editor who can take direction while also contributing his own creative perspective.

Sincerely,

Mick Back
